

PUBLIC HEALTH DEPARTMENT[641]

Adopted and Filed

Pursuant to the authority of Iowa Code section 142A.4(10), the Tobacco Use Prevention and Control Commission hereby amends Chapter 151, “Tobacco Use Prevention and Control Community Partnership Initiative,” Iowa Administrative Code.

The rules in Chapter 151 apply to community partnerships established as part of a comprehensive tobacco use prevention and control initiative to reduce tobacco use by youth and pregnant women, to promote compliance by minors and retailers with tobacco sales laws and ordinances, to enhance the capacity of youth to make healthy choices and to foster a social and legal climate in which tobacco use becomes undesirable and unacceptable.

These amendments affect community partnerships funded by state tobacco appropriations. The amendments ensure equitable funding and tobacco control services for all Iowa counties, regardless of population. The amendments also impact future applicants for funding by ensuring fairness and reducing barriers to competition. The amendments will be implemented beginning in FY15 for all partnerships that apply for tobacco funding.

Notice of Intended Action was published in the August 21, 2013, Iowa Administrative Bulletin as **ARC 0973C**. No comments were received. These amendments are identical to those published under Notice.

The Tobacco Use Prevention and Control Commission adopted these amendments on October 4, 2013.

After analysis and review of this rule making, no impact on jobs has been found.
